

**EPA ANNOUNCES PROPOSED PLAN
AND PUBLIC MEETING
Riverfront Superfund Site
Operable Unit 4
New Haven, Missouri**

The U.S. Environmental Protection Agency announces a Proposed Plan for the Riverfront Superfund Site, Operable Unit 4 (OU4) in New Haven, Missouri. The Proposed Plan identifies the Preferred Alternative for addressing contamination at OU4 and provides the rationale for this preference. The Proposed Plan and other site-related documents are available for review at the:

New Haven Regional Library
109 Maupin
New Haven, Missouri

EPA is asking for your comments on the Proposed Plan. The public comment period runs from December 31, 2008, through January 29, 2009. EPA and Missouri Department of Natural Resources will hold a meeting to receive public comments on **Tuesday, January 6, 2009**, from **7 p.m. to 9 p.m.**, at Trinity Lutheran Church, 9521 Highway 100, New Haven, Mo. Written comments on the Proposed Plan may be mailed or submitted electronically. All written comments should be postmarked or submitted electronically no later than **January 29, 2009**, and directed to Dianna Whitaker at the address given below:
